

BODY FLUID DOUBLE SPILL DISPOSAL KIT

- ✓ MDD Compliant
- ✓ UKCA Marked & CE Marked

The Body Fluid Double Spill Disposal Kit is a complete solution for managing body fluid spills quickly and effectively. It includes disinfectant spray, absorbent powder, scoops, vinyl gloves, and aprons to ensure thorough cleanup and personal protection. For safe disposal, the kit features AeroHazard™ clinical waste bags and cardboard scoops. Compactly organized in a durable Eurocase Mini with a bracket, it offers convenient storage and easy accessibility, making it ideal for medical, laboratory, or emergency settings.
