- ✓ MDD Compliant
- ✓ UKCA Marked & CE Marked Contents

HSE-1PB

**Our A-Care 1 Person Travel First Aid Kit is packaged in a convenient zip pouch, providing a lightweight and travel-friendly solution for carrying essential first aid supplies.** The clear, see-through pouch allows for easy access to a variety of treatment and wound care solutions.

Featuring essential items such as AeroBand™ Triangular Bandages and AeroWipe™ Saline Cleansing Wipes, the economy Travel First Aid Kit offers a well-rounded selection of products for managing incidents or injuries while on the move.

Designed for versatility, the pouch can be easily stored in a suitcase, bag, or carried on the person. Its compact design ensures minimal space usage, making it ideal for travel and ensuring readiness wherever you go.
