

10, 20 & 50 person HSE First Aid Kits

- ✓ MDD Compliant
- ✓ UKCA Marked & CE Marked

This first aid kit is HSE compliant, meeting the 1981 regulations, and is designed for convenience and durability. It features grab handles and wall mounts for easy access in emergencies, while its robust case is water and dust resistant, ensuring the contents remain protected. Clearly marked with "First Aid" for quick identification, the kit is available in versatile sizes suitable for treating 10, 20, or 50 people, making it an essential addition to any workplace or public area where safety and preparedness are priorities.
