

RAPIDSTOP[®] BLEED CONTROL KIT CASE/POUCH

- ✓ MDR Compliant
- ✓ UKCA Marked & CE Marked

The RapidStop[®] Bleed Control Kit has everything you need to save lives, FAST. The RapidStop[®] Bleed Control Kits are designed for quick and effective control of mass haemorrhaging. These compact kits are designed to provide treatment options with efficiency and effectiveness in mind, whether used in Military, First Response or Civilian environments.

The RapidStop[®] Tourniquet itself is an award-winning, rapid application tourniquet that maximises the chances of survival. Developed at MIT and perfected by EMS, military and industry specialists. RapidStop[®] represents a haemostatic solution with military-grade ruggedness, all age suitability, superior single-handed application and fastest average occlusion time.
