

BURNS SMALL FIRST AID KIT

Surefill™ Small Burns Kits are specialized for treating burns. They are loaded with high quality, proven products to relieve the burn and immediately begin the healing process. Products are stored in a durable plastic case for convenient storage and transportation should an emergency arise. You can refill and service your clients kits quickly with refill pouches designed to fit into each case type. They provide quick access to all products through a unique centre slit pocket without the need of unpacking each individual product.
