INDUSTRIAL

WHY CHOOSE AERO Healthcare

1 AUSTRALIAN MANUFACTURER AND EXPORTER

Aero Healthcare is 100% Australian owned and operated with modern state of the art facilities. Our Manufacturing Certificate ISO 13485 covers a huge range of first aid medical consumables and devices.

2 WHOLESALE ONLY

Aero Healthcare sells exclusively via distributors and does not sell direct. We have a detailed account approval process ensuring we deal exclusively with the wholesaler every time.

3 NO MINIMUM INVOICE AMOUNT

Aero Healthcare provides your company with the ability to purchase just one item for that special order. There is no minimum invoice amount. Standard freight terms apply.

4 SAME DAY DESPATCH

Place your order before 12.00pm AEST and your goods will be on their way to you before the end of the day. Excludes made-to-order items.

5 COMMITMENT TO CUSTOMER SERVICE

Aero Healthcare is committed to perfecting the art of customer service through dedicated training and daily customer feedback meetings. This ensures our customers receive a buying experience that they deserve and enjoy.

6 ORDERING MADE EASY

Ordering from us is made easy through either the use of our online store, email, fax or phone. Aero Healthcare can also provide your company with a customised order form tailored around the products you source from us.

7 THE AERO 100/100 QUALITY GUARANTEE

Purchasing Aero Healthcare products comes with a peace of mind guarantee. Rest assured any stock items you purchase from us are 100% covered for 100 days against quality defects. If you wish to return them for any reason, no problem, you're covered!

8 COMPETITIVE PRICING

Our international operations provides us with strong purchasing power from key raw material suppliers and manufacturers, ensuring the best balance between price and quality. We're happy to discuss a competitive advantage in every sector, with contract pricing available to achieve your requirements.

9 FORGING AHEAD TOGETHER

At Aero Healthcare we believe true loyalty is keeping your company ahead of your competition. Our unrelenting passion for innovation and product development continues to support our customers growth and success in today's challenging business environment.

10 LOYALTY REWARDS

To thank you for choosing to partner with Aero Healthcare we offer our Loyalty Rewards Program, it's another way you benefit when choosing Aero Healthcare. We support you with bulk buying deals, credits and returns, and all the little things to make our partnership great.

Compliance Made Easy

Choose your First Aid Kit in 3 simple steps

We design and manufacture our first aid kits to suit in-demand industries and end-user needs with cases and contents selected to meet relevant Australian Federal and State Workplace Safety legislation and regulations. Below you will find a table to facilitate your decision on what products you should acquire for your workplace.

Still not sure?

Scan the QR code below to access our online tool that will direct you to the perfect product according to the needs of your business.

WORK COMPLIANCE MADE EASY

1 IDENTIFY YOUR NEEDS

Scan the QR code or access www.aerohealthcare.com/product-category/first-aid-kits/ to use our online tool and identify your needs based on the people and risk profile.

2 CHOOSE RENEWAL CYCLE

Choose a renewal cycle that meets your requirements. Workplace requirements require kits to be checked every 12 months. We typically recommend a renewal cycle based on the expected usage of the first aid kit. We do not recommend a renewal cycle longer than 12 months.

3 SAVE & SHIP DIRECT

Aero Healthcare will ship **Surefill®** refills directly to you, saving you money and avoiding double handling of stock.

4 REPLENISH YOUR KIT

Swap out the old refill with the new **Surefill™** refill pack. Maintaining a first aid kit no longer requires a third party! With **Surefill®** process we will remove all human error in the restocking process and provide a fully compliant first aid kit. It's that simple!

5 DONATE YOUR OLD REFILL PACK

Don't throw away your old **Surefill®** refills! Remaining first aid stock and old **Surefill** refills with remaining shelf life can be donated to a charity of your choice that accepts first aid donations.

INSTANT REFILLS

In a matter of seconds, First Aid Kits can be completely refilled with **Surefill®**, removing human error and saving hours of stock control for each kit

- ✓ The innovative instant **Surefill® Refill** system provides fast and efficient replenishment of first aid kits.
- ✓ **Surefill® Refill** ensures workplace compliance is maintained and expiry date management is made simple.
- ✓ **Surefill® Refill** Packs are compatible with most Aero Healthcare First Aid Kits, including our entire range of case types.

Always read the label and follow the directions for use

WHY SUREFILL®?

✓ WORKPLACE COMPLIANCE

Surefill® Refill packs are specifically designed to meet national workplace compliance requirements based on number of people and risk profile. Aero Healthcare is committed to regularly reviewing our refill packs to ensure they meet compliance and any regulatory changes. While we make it easy based on best practice, workplace hazards vary greatly. We recommend that a risk assessment is always undertaken to ensure complete compliance.

✓ PEACE OF MIND

Surefill® ensures users have an organised and tidy first aid kit. Providing customers with the peace of mind that their first aid kits are maintained with the items they need and meet compliance. First aid in the workplace can now be a fixed cost and a easily budgeted expense.

✓ CORPORATE SOCIAL RESPONSIBILITY

A number of charities welcome old **Surefill®** packs with remaining shelf life. The donated kits are then sent to under developed countries and animal shelters.

✓ REDUCED ONGOING COST

Reduce the costs associated with owning a workplace compliant first aid kit with **Surefill®**. Servicing and maintaining compliant first aid kits becomes more time and cost efficient with **Surefill® Refill**.

SERIES 2 VOYAGER

LOW RISK | 1-5 PERSON

**All the protection you need
when you're on the go**

OXYGEN RESUSCITATION REGULATOR

1-10 PERSON

Designed for use by medical professionals such as doctors and dentists and also by appropriately trained first aid personnel in the workplace and community

This kit allows first-aiders to administer oxygen during CPR while waiting for an ambulance to arrive. It is also designed to provide initial treatment for conscious patients during medical emergencies.

Note: Oxygen Cylinder is not included in kit. This can be sourced from BOC and Supagas.

Regulator OXYGEN

- ✓ Modular compartments for organisation
- ✓ Easy to use in emergency situations, providing vital support during CPR
- ✓ Capacity to carry size C oxygen cylinder

IT'S WHAT'S INSIDE THAT COUNTS

Oxygen Regulator

The Accu-Reg Oxygen Therapy Regulator is a compact and reliable device for delivering oxygen therapy. Its heavy-duty and space-saving design makes it a versatile choice for various therapy applications, while the full brass body ensures durability and reliability. The Pin Index Yoke Inlet enables effortless connection to Australian Standard Cylinders of Sizes C, D, and E, and the tapered barb outlet allows for easy and secure connection to a variety of therapy tubing, mask, or nasal cannula.
